Sir,

Re Slum clearance in Gangamatha Street at Malavalli

With reference to your letter No L 2186 dated 18-9-45 and subsequent reminder thereon regarding the detailed estimates for the above work, I have the honour to state that it is reported by the President, Town Municipal Council, Malavalli, that this subject was placed before the Municipal Council at their meeting held on 23-6-47, and that they resolved to defer the scheme till the question of formation of the town extension is settled, for the reason that persons whose houses will have to be acquired under the Scheme have to be provided with building sites The question of formation of an extension is under correspondence with the Government Architect and it appears necessary that any effective action with regard to slum clearance in the town has to await the lay out of sites in the new extension, as otherwise the persons who lose their houses under the scheme would be put to hardship

Copies of the resolution dated 23-6-47 and 20-9-47 are enclosed

I have the honour to be,
Sir,
Your most obedient servant,

For Deputy Commissioner,
